

Truck RFID

NOVEMBER 2024

CMA TERMINALS KHALIFA PORT

TOPICS

RFID Guidelines

- Physical Installation of Tags – How to and tips (External trucks)

- Payment Process , Devices, FAQ.

Installation Guide

Location

- Both RFID tags must be placed at the same location and Height on the left and right sides of the truck.
- Tags should be 230 cm from the ground.
- 60 cm from the window (refer to the photo for the ideal location).

RFID Orientation on the truck

- Please make sure that all RFID tags are mounted as seen on the photo

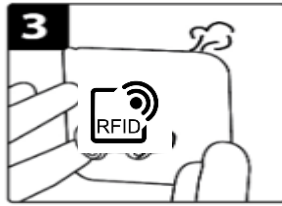

Step by Step installation

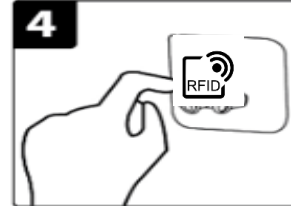

1
Clean truck surface with towel, clear from any dirt

2
Tear off protective film. (pre-package RFID 3M tape)

3
Apply the tag firmly on the truck (refer on the location)

4
Press and hold for 10 seconds to firmly stick the RFID to the truck

Further notes:

Make sure the Left and Right tags are installed in the proper areas of the vehicle.

Removal Procedure: The removal of tags must only be done through CMA TERMINALS KHALIFA PORT. The terminal team will assist with the replacement of tags

Truck Registration and Tagging Process

- 1. Truck Registration:** Ensure all trucks are duly registered with both the ATLP and CMA TERMINALS KHALIFA PORT systems to proceed with terminal access.
- 2. Customer Account Registration:** Complete the CMATK Customer Registration Form to establish your company's profile in our system.
- 3. RFID Setup Request:** Submit a formal RFID setup request, including the total number of trucks requiring RFID registration.
- 4. Account Activation:** Our Finance Department will process your account registration within our billing system.
- 5. Invoice Issuance:** An invoice for the registration fees will be sent to you from the Finance Team.
- 6. Bank Details for Payment:** CMA TERMINALS KHALIFA PORT team will provide the necessary bank details for payment processing.
- 7. Payment Confirmation and RFID Registration:** Once payment is received, RFID tags will be confirmed.
